

MINUTES OF THE TOWN OF WAYNE
PLANNING BOARD
August 12, 2019

Mr. Witkowski opened the public hearing at 6:29PM for the following Site Plan(s):

Site Plan for Christine DeFilippo: Request to construct a new single-family home.

Mr. Blanchard was present to inquire if the construction needed any variances.

Mr. Witkowski stated that no variances were required.

It was noted that no responses were received from the 15 letters sent.

Site Plan for Kevin Harrison: Request to construct a single-family home.

It was noted that no responses were received from the 26 letters sent.

Site Plan for John McGivern: Request to construct 24' by 36' garage.

It was noted that no responses were received from the 30 letters sent.

Site Plan for Horvath Communication/Verizon Tower: Request to place a 125' cell tower on Town property.

It was noted that 76 letters were sent and no responses were received at this time.

The following individuals were present to inquire:

Ms. Panzarino inquired about the location.

Mr. Morrison inquired about coverage as he has good reception at his home but not his business located the bottom of Keuka Hill Rd. and potential lighting on the tower.

Mr. Osborne inquired about potential radiation and how it would affect WiFi.

Mr. Leseurre inquired about increase coverage along Ste. Rte. 54 due to the location.

Mr. Morgan, representative for Horvath Communication/Verizon, stated the following:

- The location of the Tower would be between the Town Hall and Town Barn with the potential to have a reach of 3 to 3 ½ mile range.
- The tower will help get ahead of the demand for the increase of both data and voice.
- The total square footage of the project would be 10,000 sq. ft.
- The tower would be 125' in height within a 50' by 50' fence compound.
- There would be landscaping on both the North and West side of the fence for screening purposes.
- They currently are waiting to hear from FAA regarding lighting even though according to FAA regulations, anything under 250' didn't require lights.
- Per FCC regulation requirements, there is no health hazard regarding radiation.

- Back-up electricity would be provided by a diesel generator.
- Work would start either late this year or early next.

Mr. Witkowski closed the public hearing and opened the August 12, 2019 Planning Board meeting at 6:57PM with a roll call of the members.
